Description of Resource

These particular video interactives were created by Sue Whatman for 7224EPS LEADERSHIP FOR SPORTS COACHES.

LAMS is a revolutionary new tool for designing, managing and delivering online collaborative learning activities. It has a very easy to use, drag and drop, interface and contains a wealth of activities you can use in your lessons.

Learning Strategy

Each week Sue delivers an online module containing two optional activities for her students. Each activity contains a video and accompanying resources and quizzes. Each module culminates in a discussion forum in which students are able to use their answers to the questions in order to make relevant posts in the discussion forum.
